To Whom It May Concern:

Superior Essex confirms that Fluke testers (DTX and DSX CableAnalyzer series) are approved testers for a PerformaLink® Warranty.

The tester must be properly maintained and calibrated per the manufacturer's guidelines.

The tester must be used with the correct software and assembled per the manufacturer's guidelines.

Please contact me directly for further information or with questions.

Regards,

A handwritten signature in black ink, appearing to read "Amir Sekhvat", with a long horizontal line extending to the right.
