

Fluke Networks
6920 Seaway Boulevard
Everett, WA 98203

Attention: Mr. Harley Lang
Marketing Director
Fluke Networks

Dear Harley,

This letter serves as an approval of the Fluke Networks DSX CableAnalyzer™ for use in field-testing of the TPCC Series.

FUJI ELECTRIC CABLE has extensively evaluated the measurement accuracy of the VERSIV / DSX CableAnalyzer unit in the laboratories as well as in field-testing. The test results obtained with this field tester correlate very closely with tests performed with laboratory equipment such as the HP Network Analyzer.

We look forward to a continued cooperation and future opportunities to evaluate Fluke Networks products that can be used to test and certify our cabling installations in the field.

Sincerely,

M.Kawata
Manager, Communication Engineering Section
Kofu Factory Production Division
FUJI ELECTRIC CABLE CO.,LTD.
